The agency proposal follows:

**Summary**

The Department is proposing new rules at N.J.A.C. 12:2-2 and 12:2 Appendix B, in order to comply with P.L. 2012, c. 57 (N.J.S.A. 34:11-56.12), which requires that notification be in a form by the Commissioner that is "issued by regulation" and is to be used by employers to satisfy the requirements set forth in section 1 of P.L. 2012, c. 57. Specifically, section 1 requires that every employer in New Jersey, with 50 or more employees, shall conspicuously post notification, in a place or places accessible to all workers in each of the employer's workplaces, detailing the right to be free of gender inequity or bias in pay, compensation, benefits, or other terms and conditions of employment under the "Law Against Discrimination," P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), P.L. 1952, c. 9 (N.J.S.A. 34:11-56.1 et seq.), Title VII of the Civil Rights Act of 1964, Pub. L. 88-352 (42 U.S.C. §§ 2000e et seq.), and the Equal Pay Act of 1963, Pub. L. 88-38 (29 U.S.C. § 206(d)), which prohibit wage or compensation discrimination based on gender. This section further requires that every such employer shall provide each worker of the employer with a written copy of the notification: not later than 30 days after the effective date of N.J.A.C. 12:2-2; at the time of the worker's hiring, if the worker is hired after the issuance; annually, on or before December 31 of each year; and at any time, upon the first request of the worker.

The Department is also proposing amendments to N.J.A.C. 12:2-1.3, which would replace existing references throughout the section to "the chapter Appendix" with references to "N.J.A.C. 12:2 Appendix A." The amendments are necessitated by the addition through this rulemaking of N.J.A.C. 12:2 Appendix B.

Finally, the Department is proposing to amend the heading of the existing chapter Appendix, so as to reflect that it will be N.J.A.C. 12:2 Appendix A.

Proposed new N.J.A.C. 12:2-2.1 would set forth the purpose and scope of the subchapter.

Proposed new N.J.A.C. 12:2-2.2 would contain definitions of words and terms used throughout the subchapter.

Proposed new N.J.A.C. 12:2-2.3 would contain the posting and employee distribution requirements of the law.

Proposed new N.J.A.C. 12:2-2.4 would contain the requirement that the notification provided to each worker under subsection 1b. of P.L. 2012, c. 57 shall be accompanied by an acknowledgment that the worker has received the notification and has read and understands its terms.

Proposed new N.J.A.C. 12:2 Appendix B would contain the form of notification to be used by employers in order to comply with section 1 of P.L. 2012, c. 57.

As the Department has provided a 60-day comment period for this notice of proposal, this notice is excepted from the rulemaking calendar requirements pursuant to N.J.A.C. 1:30-3.3(a)5.

**Social Impact**

The proposed amendments and new rules would have a positive social impact in that they would provide employers a ready reference within the New Jersey Administrative Code as to the form of the statutorily required notification.

**Economic Impact**

The proposed amendments and new rules would have no economic impact, beyond the impact of the posting and distribution requirement itself, which is contained within P.L. 2012, c. 57, and from which the Department has no discretion to deviate.

**Federal Standards Statement**
A Federal standards analysis is not required because the proposed amendments and new rules are not subject to any Federal standards or requirements. Specifically, the subject matter of the proposed new rules is governed by P.L. 2012, c. 57.

Jobs Impact

The proposed amendments and new rules would have no impact on either the generation or loss of jobs.

Agriculture Industry Impact

The proposed amendments and new rules would have no impact on the agriculture industry.

Regulatory Flexibility Statement

The proposed amendments and new rules would impose no reporting or recordkeeping requirements on small businesses, as that term is defined in the Regulatory Flexibility Act, N.J.S.A. 52:14B-16 et seq. With regard to compliance requirements, the proposed amendments and new rules would require the posting and distribution of the notification found in N.J.A.C. 12:2 Appendix B, as is required by P.L. 2012, c. 57, which requires compliance and makes no distinction between small and large employers.

Housing Affordability Impact Analysis

The proposed amendments and new rules would not evoke a change in the average costs associated with housing. The basis for this finding is that the proposed amendments and new rules pertain to the posting and distribution by employers of a notification pursuant to P.L. 2012, c. 57, and have nothing to do with housing.

Smart Growth Development Impact Analysis

The proposed amendments and new rules would not evoke a change in the housing production within Planning Areas 1 and 2, or within designated centers, under the State Development and Redevelopment Plan. The basis for this finding is that the proposed amendments and new rules pertain to the posting and distribution by employers of a notification pursuant to P.L. 2012, c. 57, and have nothing to do with housing production.

APPENDIX B

Right to be Free of Gender Inequity or Bias in Pay, Compensation, Benefits, or Other Terms and Conditions of Employment

New Jersey and federal laws prohibit employers from discriminating against an individual with respect to his/her pay, compensation, benefits, or terms, conditions or privileges of employment because of the individual's sex.

FEDERAL LAW

Title VII of the Civil Rights Act of 1964 prohibits employment discrimination based on, among other things, an individual's sex. Title VII claims must be filed with the United States Equal Employment Opportunity Commission (EEOC) before they can be brought in court. Remedies under Title VII may include an order restraining unlawful discrimination, back pay, and compensatory and punitive damages.

The Equal Pay Act of 1963 (EPA) prohibits discrimination in compensation based on sex. EPA claims can be filed either with the EEOC or directly with the court. Remedies under the EPA may include the amount of the salary or wages due from the employer, plus an additional equal amount as liquidated damages.

Please be mindful that in order for a disparity in compensation based on sex to be actionable under the EPA, it must be for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions.

There are strict time limits for filing charges of employment discrimination. For further information, contact the EEOC at 800-669-4000 or at www.eeoc.gov.

NEW JERSEY LAW

The New Jersey Law Against Discrimination (LAD) prohibits employment discrimination based on, among other things, an individual's sex. LAD claims can be filed with the New Jersey Division on Civil Rights (NJDCCR) or directly in court. Remedies under the LAD may include an order restraining unlawful discrimination, back pay, and compensatory and punitive damages.
Another State law, *N.J.S.A. 34:11-56.1 et seq.*, prohibits discrimination in the rate or method of payment of wages to an employee because of his or her sex. Claims under this wage discrimination law may be filed with the New Jersey Department of Labor and Workforce Development (NJDLWD) or directly in court. Remedies under this law may include the full amount of the salary or wages owed, plus an additional equal amount as liquidated damages.

Please be mindful that under the State wage discrimination law a differential in pay between employees based on a reasonable factor or factors other than sex shall not constitute discrimination.

There are strict time limits for filing charges of employment discrimination. For more information regarding LAD claims, contact the NJDCR at 609-292-4605 or at www.njcivilrights.gov. For information concerning *N.J.S.A. 34:11-56.1 et seq.*, contact the Division of Wage and Hour Compliance (DWHC), within the NJDLWD at 609-292-2305 or at http://lwd.state.nj.us.
